DESCRIPTION

11 Church Close is a mid-terrace stone built cottage offering deceptively spacious accommodation which needs some updating. The property comprises a kitchen with a range of fitted units, oven with hob and space for a fridge freezer and a separate dining room. The living room has a log burning stove and an inner hallway has the staircase leading up to the first floor.

To the first floor there are three double bedrooms and a house bathroom with a walk-in shower cubicle.

Externally the property is complemented by a small patio to the front with space for seating and a larger patio at the rear with

space for potted plants and further seating. There is also a single garage with parking in front for one car.

Overall, 11 Church Close would make an excellent full-time home, starter home or low maintenance bolt hole in Yorkshire Dales.
