SITUATION

Leyburn 2 miles. Bedale 10 miles. A1 interchange at Leeming bar 12 miles. Northallerton 17 miles. Hawes 18 miles. Both Newcastle and Leeds Bradford Airports are a one-hour drive approximately from the property.

Old Hall stands extremely well on the fringe of Spennithorne. The village is well placed within easy reach of the market towns of Leyburn, Bedale and Hawes where there is a range of shops, cafes, pubs and activities. There is a thriving village pub a short walk from the property together with a primary school and the location on the outskirts of the Yorkshire Dales National Park is very popular for walking and cycling.

DESCRIPTION

Old Hall is a Grade II detached farmhouse requiring refurbishment. The property stands superbly on the edge of Spennithorne and enjoys stunning views across lower Wensleydale and towards Middleham. The property has oil central heating and is a blank canvas.

The property is entered via a side hall with a staircase leading up to the first floor and the kitchen to the right. The kitchen is dual aspect and has a fireplace. Just off the kitchen is a larder with stone shelving.

There is a large living room with a fireplace and a snug which could be used as a home office or formal dining room if required.

To the first floor there are four bedrooms, one of which is accessed via the third bedroom and therefore would also work well as a nursery or a dressing room.

Whilst the existing layout works well, this could potentially be better reconfigured, subject to obtaining the necessary Listed Building consent.

Externally the property is complemented by a large front garden which is laid to grass with a walled boundary at the front. The garden offers excellent potential and could be landscaped further as required. To the rear and side of the property there is a range of useful stores and outbuildings which offer excellent dry storage.

Overall the property offers a rare opportunity to purchase a historic property requiring full refurbishment. A viewing is advised to appreciate the potential and site of the property.
