INTRODUCTION

Handale Banks Farm comprises a purpose built pig breeding and finishing unit. The unit was established in the 1970's and would benefit from a comprehensive programme of refurbishment and modernisation. The unit did operate as a contract rearing unit until recently.

The farm benefits from an IPPC Permit for over 2000 pigs.

The unit has the benefit of a rural location whilst it being close to the village of Liverton with good links to the main road network.

SITUATION

Liverton 1 mile, Saltburn by the Sea 8 miles, Guisborough 11 miles, Whitby 16 miles, Middlesbrough 20 miles, Thirsk 40 miles, York 60 miles (all distances are approximate).

The farm steading area is attractively situated and nicely set back off the main road. The steading area is situated approximately 1 mile east of the village.

Liverton is a popular rural village which is located in East Cleveland on the edge of the North Yorkshire Moors National Park.

LOT 1: THE FARM STEADING, FARM BUILDINGS TOGETHER WITH 66 ACRES APPROX. (shaded red)

Handale Banks Farm comprises an attractive brick built farmhouse which is in need of complete refurbishment, a more modern large detached farmhouse built in the early 1980's, which is subject to an Agricultural Occupancy Condition and an extensive range of intensive pig breeding and rearing buildings together with general purpose buildings.

The original farmhouse is a large detached 4 bedroom house in need of refurbishment (see floor plan). The farmhouse stands well on the edge of the steading area with views over open countryside.

The more modern farmhouse is a large detached 4 bedroom house which was built in the early 1980's (see floor plan). The house stands well on a slightly elevated position overlooking open countryside and the farm steading area.

Internally, the property comprises a large Kitchen with an island, Utility Room, Dining Room, Sitting Room, Conservatory, Farm

Office, three Double Bedrooms, one with En-Suite. To the first floor is a large Sitting Room with views over open countryside together with a Master Bedroom.

There is a timber framed 3 bedroom lodge (see floor plan). This provides ideal accommodation for a stock person or a farm manager.

The Land

The land lies well in relation to the steading area in a compact ring fence. The land is classed as Grade 3 on the Agricultural Land Classification Map for England & Wales. It is a medium to well bodied clay loam capable of growing cereals, oil seed rape and grass.

LOT 2: 28 ACRES OF ARABLE & GRASSLAND (shaded blue)

Lot 2 comprises a most useful block of permanent pasture and arable land together with horse gallops. The land is accessed directly off the public highway leading from Liverton Village to Handale Banks Farms.

LOT 3: 50 ACRES OF ARABLE LAND (shaded brown)

Lot 3 comprises a versatile block of arable land together with a small parcel of permanent pasture. The arable land is divided into two regular and easily workable fields with direct access off both Liverton Road and Moorsholm Lane, which leads from the village to Handale Banks Farm.

The land is currently sown

LOT 4: 10.03 ACRES OF PERMANENT PASTURE & AMENITY LAND (shaded yellow)

Lot 4 comprises a parcel of permanent pasture which is divided into three paddocks which are all well fenced. There is an amenity wildlife pond situated towards the eastern boundary of the property.

The land has excellent roadside frontage onto the public highway.
